

A spectacular design is the key to its singular functionality. This collection combines perfection, technology and detail. The industrial designer Ramón Benedito signs this proposal, which is fruit of a universe of geometrical shapes. Stylish, pure, sophisticated and inspiring strokes, for which he was awarded the ADI-FAD Prize for the decorative arts in design.

Designed by
Ramon Benedito

A Barcelona industrial designer with a world-wide reputation – and a worldwide prize-winner. Over the 20 years he has worked with Roca he has employed a design criteria that can be summed up in a single sentence: rigour as a method.

In countertop vitreous china basin

Bowl position: Central
