

An avant-garde design concept embodied by stylised and seductive shapes and forms. This is the solution for a bathroom space that requires a subtle blend of aesthetics and functionality. The end product is a piece with refined, rarefied and elegant lines enveloped in an exclusive proposal where comfort takes on its own style.

Designed by
Ramon Benedito

A Barcelona industrial designer with a world-wide reputation – and a worldwide prize-winner. Over the 20 years he has worked with Roca he has employed a design criteria that can be summed up in a single sentence: rigour as a method.

Wall-hung vitreous china basin
